

15 March 2011

Dear Sean

I would like to take this opportunity in expressing our appreciation for the excellent work that Prendos have carried out under your guidance, in respect to the processes that have taken place to remedy the leaky building situation, and other associated problems with three major buildings at Pakuranga College.

From the start of the project, Prendos gave to the Ministry of Education and Pakuranga College a very detailed and accurate account of the condition of these buildings following which you were successful in obtaining the funding from the Ministry for rectification.

The liaison with the school has been superb.

From the calling of tenders through to completion, Prendos have acted on behalf of Pakuranga College in a very professional basis.

You and Chris have kept the Principal and me up to date on all accounts as well as working very closely with the contractors to ensure that work was carried out to a high standard and that the project met timelines.

We are very pleased with the end result and confident that Prendos have gone the extra mile to meet the expectations of the Ministry of Education and that of Pakuranga College.

Please pass on our thanks to all concerned.

G S Brown  
Administration Manager  
Pakuranga College
